lives...

HEAD OF A WOMAN, 1910-11

Only 25 pieces of Modigliani's stone sculptures survive, but their abstracted and elongated forms provided a template for his later portraits and figure paintings.

Modigliani worked...
in stone, often using...
material from local...
sites. His...
invited to...
planned...
as a...
the...
his...
heads...
most of the...
doing...
...
caryings...
Del...
His...
